About the City of Logan

The City of Logan is a young and dynamic city and is home to more than 320,000 people from 217 cultures, making it one of the most diverse in Australia. With the population to grow to over 500,000 in less than 20 years, Logan is entering an exciting era of growth.

Located in Australia in the centre of the rapidly growing South East Queensland region, Logan is approximately 30 minutes' drive from both Brisbane and the Gold Coast. The city is within 40 minutes of two international airports and is in close proximity to major road networks, passenger rail and busways.

Covering 957km², Logan boasts rich and varied lifestyle options—from leafy suburbs to bushland acreage—and has thriving commercial, industrial and retail precincts. Logan has eleven activity centres, including master-planned centres of Springwood, Meadowbrook, Logan Central and Beenleigh and priority development areas Greater Flagstone and Yarrabilba that will accommodate for the majority of the city's population and jobs growth.

The city's Gross Regional Product is valued at \$11.77 billion, with more than 21,000 businesses operating across diverse industry sectors. Health care and social assistance is a top performing sector, along with construction, manufacturing, retail trade, real estate services and transport and logistics.

Why study in Queensland?

QUEENSLAND, A GATEWAY TO LIMITLESS LEARNING EXPERIENCES.

Queensland is Australia's second largest state, covering 1,727,000 square kilometres and has a population of more than 4.7 million people.

It has world-class education and training providers at scenic locations from cities to country towns to the beach. So you will feel at home in Queensland's safe, vibrant and relaxed environment.

Queensland boasts a leading education and training system comprising more than 280 schools and education providers across the state. Currently, Queensland attracts students from more than 160 countries each year.

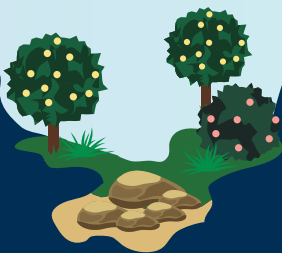

Idyllic subtropical weather

With 263 days of sunshine a year, on average.

Clean, green and attractive environment

With nature at your doorstep.

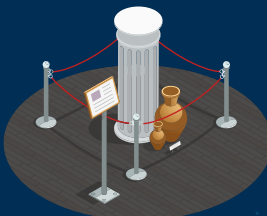

Enjoy an outdoor culture

Where eating out, sports and recreation are part of the norm.

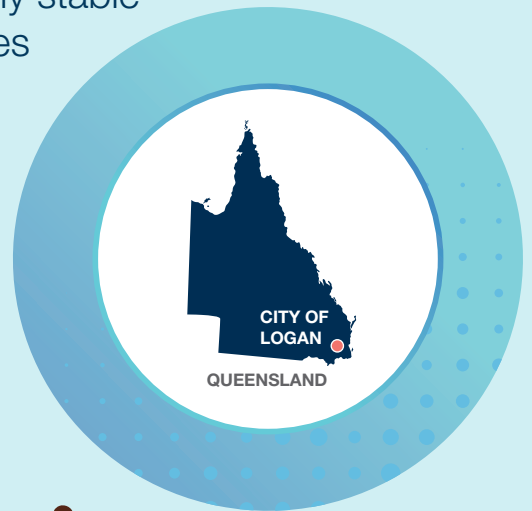

Vibrant arts and creative culture

With performances, museums and festivals.

One of the most politically stable countries in the world.

7,000 kms of coastline

With world renowned beaches and waterways.

Fresh produce

Infused modern cuisine readily available and affordable.

Why study in the City of Logan?

The City of Logan has a range of private schools, state schools and tertiary/vocational institutions.

SCHOOLS IN LOGAN HAVE STRENGTHS IN:

A great place to live

The City of Logan is a young and vibrant city, and situated between Brisbane and Gold Coast, students have easy access to the attractions of both cities. As one of the most culturally diverse cities in Australia, students have the opportunity to be immersed in a multicultural and welcoming community.

Quality schools

With strong links to tertiary and vocational education providers, Logan secondary schools prepare students for the next step in their education, providing streamlined study pathways and specialist courses to prepare students for the future workforce. Schools partner with workplaces to give students real life skills and set workplace pathways leading to potential employment.

Sporting excellence

Logan is known for developing sporting talent, and has produced sporting superstars in golf, rugby league and swimming to name a few. Many schools in the city have special development sports programs that prepare students for competition on a professional level. The city is also home to Brisbane Roar, Queensland's only A-League (football) team.

STEM: Science, Technology, Engineering and Mathematics

Things to do

The City of Logan is packed with lifestyle opportunities to experience whilst studying, there's so much more to discover while you are here. Explore one of our many natural assets, walk through native bushland parks and get up close with one of our local koalas. Experience the thrill of downhill mountain biking, test your skill on one of the amazing go-kart tracks, try your hand at wakeboarding or you can even canoe our lovely rivers.

Stroll the local markets, pick your own fresh strawberries, take a tour of our very own chocolate factory, or enjoy the very special indigenous theatre dinner show 'Spirits of the Red Sand'. Galleries and museums abound, urban settings and rural lifestyle—there is something to explore every week.

Heritage, arts and food trails guide you as you discover this fantastic city. Fully immerse yourself in our great Australian lifestyle while enjoying a high quality education.

Springwood State High School

Springwood State High School is set in expansive grounds that include several important wildlife habitats. Our campus has ample classroom space, with a major renewal and refurbishment program currently in progress. Our brand new Technology Precinct is the first of a series of upgrades to our facilities, with numerous other scheduled improvements to include our Performing Arts Block, Library, Administration Block, Canteen and Home Economics areas. There is a strong sense of community amongst our students, staff and parents. Springwood State High School takes great pride in being an inclusive education facility. There are now a number of 'generational' attendees at our school, where parents were once enrolled here. At the same time our students continue to be drawn from far and wide, with almost thirty different primary schools represented amongst this year's enrolled Year 7 cohort.

THREE REASONS TO ATTEND OUR SCHOOL

- 1 Quality teaching and learning.
- 2 Strong pathway programs.
- 3 A safe, supportive, inclusive teaching and learning environment.

SPECIAL PROGRAMS

- Academic Excellence (Excel) Program
- Extended literacy and numeracy support

Tertiary and Vocational Education

Griffith University – Logan Campus

Griffith University was created to be a different kind of university—challenging conventions, responding to trends and pioneering solutions. Its high-quality degrees are specifically designed to prepare students for the future. Ranking in the top two percent of universities worldwide, Griffith hosts 50,000 students across six campuses in South East Queensland.

Our Logan campus sits between Brisbane and the Gold Coast in one of Australia's most rapidly developing regions. Home to nearly 2,500 students, our Logan campus offers degrees in human services and social work, nursing and midwifery, business and commerce, and education.

THREE REASONS TO ATTEND GRIFFITH UNIVERSITY

- 1 Griffith is ranked in the top 2% of universities globally.
- 2 Griffith holds a five-star rating for overall educational experience from the Good Universities Guide, an independent guide to Australian higher education.
- 3 Learn from the best, with teachers who have won more Australian Government awards, citations, and fellowships than any other university in the past five years.

COURSES

- Bachelor of Business
- Bachelor of Child and Family Studies
- Bachelor of Commerce
- Bachelor of Education
- Bachelor of Human Services
- Bachelor of Midwifery
- Bachelor of Nursing
- Bachelor of Social Work
- Doctor of Education
- Master of Social Work

TAFE Queensland

TAFE Queensland is the largest, most experienced training provider in the state, with a history of serving Queensland communities for over 135 years. Our qualifications are recognised across Australia and respected world-wide. We offer a broad range of courses across certificate, diploma, advanced diploma, associate degree and bachelor degree levels. We have study locations across Queensland in metropolitan, coastal and regional areas. Our teachers are highly skilled professionals who work closely with industry to provide students with the most up-to-date skills and knowledge.

Set amidst lush, green surrounds and featuring a scenic pond and garden area, TAFE Queensland's Loganlea campus is the perfect place to study without the need to travel to Brisbane City.

THREE REASONS TO ATTEND TAFE QUEENSLAND

- 1 TAFE Queensland has partnerships with many of Australia's top universities, so students can study a diploma and fast track into a university degree program.
- 2 TAFE Queensland is committed to providing students with practical and hands-on skills, so they can graduate job-ready. With strong links with industry, our students have gone on to work with leading global, national and local organisations.
- 3 Employers want to hire our graduates, with almost 90% of graduates going on to work or further study.

Mastery Institute Australia

Mastery Institute Australia (MIA) is a Registered Training Organisation (RTO 40813, CRICOS 03542A) specialising in professional education and training for both domestic and international students. MIA offers a broad selection of qualification-based courses and workshops spanning across a number of disciplines.

MIA is committed to providing the right qualifications to help students get started in industry. More importantly, we are here to help ease students into the relevant roles through both theoretical and practical training preparing students for the real world. Students' training is conducted in a supportive environment, and this allows students to learn at their own pace providing ample opportunities to ask questions to assist with the learning.

THREE REASONS TO ATTEND MIA

- 1 Hands-on Training. Students take theoretical learning and put it into practice in workplaces.
- 2 Experienced qualified teachers – staff have extensive industry experience, partnered with a purpose-built campus.
- 3 Further Education Integration – the more education you can get, the better your future employment prospects will be. The courses at MIA are nationally recognised and can account for credit with other higher education institutions.
